

GRANT OVERVIEW

The goal of the Natrona County Travel & Tourism Council's (NCTTC) Grant program is to assist Natrona County non-profit organizations with events and projects designed to create economic impact and generate overnight stays in Natrona County lodging facilities. Visit Casper is the marketing arm of the Natrona County Travel and Tourism Council, a Joint Powers Board whose mission is to enhance the economic base of Natrona County through tourism. The organization's primary objective is to encourage more and longer visitor stays through marketing programs aimed at the convention, leisure, sports, group and special events markets.

The NCTTC / Visit Casper is funded by a 4% lodging tax collected from guests staying in hotels, motels, bed and breakfasts and campgrounds within the county.

Eligibility: Grants are available to non-profit organizations in Natrona County.

GRANT DECISIONS & FUNDING CRITERIA

All Visit Casper funding requests will be reviewed, analyzed and scored against 5 major criteria:

- **Room Nights:** The event generates overnight stays in Natrona County lodging facilities. The more room nights generated, the higher the score.
- **Seasonality:** The event generates overnight stays during shoulder and off-peak season. (Generally between October and February)
- **Impact:** The event has the high potential of not only offering a positive return on Visit Casper's investment, but it also generates commercial, economic and social benefits that will be realized by the community.
- **Retention:** Points may be awarded to retain and grow the event in the Casper Area.
- **Miscellaneous:** Points may be awarded at the discretion of the Grant Review Committee for criteria such as idea presentation, event history, reporting history, need for Visit Casper staff support, number of funding partners, program sustainability, number of years funding has been requested, etc.

Events held prior to Council review of the corresponding grant application are not eligible for grant funds. The amount of an approved grant may be modified at the Council's discretion.

Completed grant applications will be accepted twice per year: October 15 and April 15. The Council requires the organization requesting a grant to schedule a 10-minute presentation to the Council before applications are reviewed at a regular business meeting. Presentations should include event details, anticipated room nights, the impact of the event, an event/program budget and how the funds will be spent.

Applicants will receive written and verbal notification of the Council's decision within two weeks of the regular council meeting.

Any application submitted after the deadline will be considered by the Council at the next regularly scheduled grant review meeting. All deadlines are the applicant's responsibility.
